COLLABORATIVE EFFORT

Turning Point Faith

TPFaith actively engages pastors through **Pastor Roundtables** and **Pastor Summits**. Their regional roundtables equip leaders with Biblical, historical, and constitutional knowledge to stand boldly for liberty and God's kingdom. These gatherings provide a space for pastors to discuss cultural and political issues impacting their congregations. For more details or to register for a Pastor Summit, you can view their website [HERE](#).

Focus on the Family Hispanic Ministry

FOTF has taken a proactive approach to supporting Hispanic pastors, hosting roundtables in 15 cities with significant Spanish-speaking populations. These gatherings aim to reach 25-40 pastors per event, equipping them with resources and encouragement for their ministries. In addition to these events, FOTF offers pastoral support through resources like the Pastor-to-Pastor podcast, hosted by Dave Stone, which provides guidance and encouragement to church leaders nationwide.

Ministry in Focus

FAITH WINS: MOBILIZING PASTORS, ENGAGING THE CHURCH

Chad Connelly has a passion for engaging Christians in the public arena. As the **founder of Faith Wins**, Chad has been at the forefront of mobilizing pastors and church leaders to actively participate in civic engagement. Through his leadership, Faith Wins has conducted **over 400 Pastor Roundtables around the country**, equipping pastors to use their influence to educate, register, and activate their congregations to vote, not Republican or Democrat but based on Biblical values.

"The church has always been the moral compass of America. When pastors lead with courage, the nation follows."

- Chad Connelly

WWW.GAPMOVEMENT.ORG

Last year, Chad and **David Barton with WallBuilders** hosted **124 pastor roundtables** in **124 cities**, reaching thousands of pastors between **July and November**, with a focus on small, impactful meetings that foster relationships and accountability. In the last 15 years, Chad has conducted pastor meetings in **49 states**, prioritizing voter registration, issue awareness, and strategic action, ensuring that churches are not just informed but actively shaping their communities and nation.

Chad's work continues to strengthen the church's voice in America. Having served as the first-ever National Director of Faith Engagement for the RNC, he has spoken to over 82,000 pastors and faith leaders, leading to historic evangelical voter turnout in recent elections. His deep relationships across denominations and ministries have made Faith Wins a unifying force in the movement to restore Biblical values to cultural spheres. Faith Wins equips pastors through resources, voter registration pledges, and direct connections to legal guidance so they can confidently lead their churches without fear.

Help us **awaken** and **empower** pastors and congregations to be **Salt and Light** across the nation.

Funds raised by **The Great Awakening Project for PASTOR ROUNDTABLES** enables these groups to **ADD roundtables** to their calendar at **\$7,500/event**.

My Faith Votes

My Faith Votes supplies materials for Pastor Roundtables and encourages Pastors to proclaim Biblical truth and inspire faith-driven action. With a strong focus on civic engagement, they provide resources to help pastors address cultural challenges. Their mission is to see bold church leaders rise up and speak truth in today's culture.

Eric Metaxas

Eric focuses on Biblical doctrine, discipleship, and evangelism and has recently added Pastor Roundtables to their *Socrates in the City* effort. He urges Christians to engage boldly in societal issues, stating Scripture reminding us that "*faith without works is dead*." Eric Metaxas has also collaborated with My Faith Votes, equipping Christians to take action in the electoral process.

GET YOUR PASTOR INVOLVED!

Do you know a Pastor or ministry leader wanting to engage more effectively in civic issues? Pastor Roundtables provide the tools and strategy to help pastors make a lasting impact in their communities.
